May Transit Board Meeting Highlights

Clallam Transit System Board members held their regular monthly meeting in Forks on May 16. Twice a year the Board travels to Sequim and the west end of the county in an effort to make it easier for residents in those areas of the county to attend meetings.

Board members approved Consent Agenda items to adopt last month's minutes and to accept the payment listing for monthly Board approval.

Other action taken by the Board included:

- Authorization of training and travel for Board Chairman Brad Collins and Board Vice Chair Genaveve Staff to attend the upcoming 2016 Washington State Public Transportation Conference and Expo in Wenatchee in late September.

- Declared a debt to be uncollectible in accordance with the system's established policy.

- Established upcoming meeting dates for the Board's two standing committees. The Administration and Finance Committee will meet in the morning on Thursday, June 16, and the Operations and Maintenance Committee will meet on Monday, June 20, following the Board meeting.

The next regular meeting of the Board will be held on Monday, June 20, at 1:00 p.m. at Clallam Transit System in Port Angeles.
